

MECHANICAL CONTRACTOR MEMBERSHIP
in the Mechanical Contractors Association of Houston, Inc.
13810 Champion Forest Dr, Suite 140, Houston, Texas 77069
(281) 440-4380 | www.mcahouston.org

The Mechanical Contractors Association of Houston was chartered in 1950, to promote the mechanical contracting industry and to foster the exchange of ideas, technical data and business information between its members.

MCA Houston provides an organized and efficient means of representing its members in communications with other contractor associations, awarding authorities, and local, state, and federal elected officials and regulatory agencies. The Association serves as the leading voice of the industry in labor negotiations and ongoing labor-management relations with the Plumbers and Pipe Fitters unions.

The Association acts as the sole and exclusive bargaining representative for the purpose of negotiating a collective bargaining agreement by and between the Association and UA Local Union 68 and UA Local Union 211.

The Association offers monthly lunch meetings with mechanical contractor firms, discussing industry activity, problems and solutions. We meet at The Forest Club, 9950 Memorial Drive, at noon, on the second Wednesday of each month to have lunch and talk about issues and business. We also host a periodic meeting with our Associate members and other guests to consider issues and topics relevant to the Houston mechanical contracting industry .

Your MCA membership affords you an invitation to become a member in the Mechanical Contractors Association of Texas (MCAT) and the Mechanical Contractors Association of America (MCAA), which makes available to you these resources:

- | | |
|-----------------------------|------------------------------------|
| ✓ Labor Estimations Manual | ✓ Annual Statistical Survey Report |
| ✓ Management Methods Manual | ✓ Project Managers Manual |
| ✓ Job Supervisors Manual | |

These are just a sample of the information and publications available to you as a member. There are many more giving you, the mechanical contractor, the most complete and extensive library of information possible!

MCAA is the education association - Throughout the year we sponsor locally MCAA's exceptional training seminars, custom developed for the mechanical construction and service industry.

including:

- | | |
|---|------------------------------------|
| ✓ NEI - Fundamentals of Project Management | ✓ Advanced Leadership Institute |
| ✓ NEI - Advanced Supervisory Education Seminars | ✓ Institute for Project Management |
| | ✓ Service Seminar Series |
